May 18, 2022 (Wed) | 19:30-21:00 | Zoom

HKPA will be conducting an exercise to review and update the current Memorandum and Articles of Association (M&A) so as to identify key issues including risks to good practice governance and also further improve the electoral system for serving the best interests of our members. In April, HKPA collected members' opinions on M&A review via Google form. [We are now conducting a 90-minutes consultation session in focus group style](#), between Ms. Margaret Grant and HKPA members, to ascertain stakeholders' views on the current Articles and explore the key issues and risks identified.
