Speaker profile

(in order of presentation):

Mr. Raymond Tsang

Department Manager, Physiotherapy
Department, MMRC

Mr. Tsang is the Department Manager of the Physiotherapy Department of MacLehose Medical Rehabilitation Centre and the part-time Professor of Practice of the Department of Rehabilitation Sciences of The Hong Kong Polytechnic University. He is the Vice President of the Hong Kong Physiotherapy Association and the immediate past President and founding fellow of the Hong Kong College of Physiotherapy. He had served in the Education Committee of the Physiotherapists Board and now he is a member of the Registration Committee of the Physiotherapists Board.

Dr. Ivan Su

Head of Professional and Programme
Development, SAHK

Ivan Su is a physiotherapist by profession and currently works as Head of Professional and Programme Development at SAHK and Director of the SAHK Institute of Rehabilitation Practice. He joined SAHK in 1987, specialised in servicing adults with childhood-onset disabilities and community-dwelling individuals living with acquired chronic conditions. He founded the Work Group on Community-based Rehabilitation and Primary Healthcare in the Hong Kong Physiotherapy Association, aiming at uniting practitioners in the community sector and strengthening community practice in physiotherapy.

Mr. Mike Au-Yeung

Private Practice

Mr. Mike Au-Yeung graduated from the Hong Kong Polytechnic University in 2003. After his graduation, he worked for different private physiotherapy clinics for more than 15 years with experience in pain management, musculoskeletal disorders and sports rehabilitation. Mr. Au-Yeung has also completed the Diploma in Acupuncture for Physiotherapists in 2008. He is now the Director and the Chief Physiotherapist of a private physiotherapy clinic.
