Application period: 18 Aug 2022 - 31 Aug 2022

Hong Kong Physiotherapy Association

HKPA PHYSIOTHERAPY STUDENT ATTACHMENT PROGRAM (2022/23)

Objectives:

The objective of the HKPA physiotherapy student attachment program is to provide opportunities for students in entry-level physiotherapy programs to network with experienced physiotherapists in a specialty area and engage in the work and activities of Executive Committee (EC) or a particular Specialty Group (SG) or Work Group (WG) of HKPA. The program is intended to promote both personal and professional growth of the participating students

Program content and duration

The student can choose to be attached to one of the following:

1. Executive Committee
2. Specialty Group (SG)
3. Work Group (WG)

HKPA PHYSIOTHERAPY STUDENT ATTACHMENT PROGRAM (2022/23)

Expectations:

During the attachment program, the participating student is expected to:

- support the planning and implementation of activities organized by the assigned EC/SG/WG of HKPA (e.g. annual conference, continuing education courses, community exercise classes, etc.);
- network with the members of the assigned EC/SG/WG of HKPA;
- actively promote HKPA and its activities to fellow students.
- Complimentary registration of the HKPA annual conference and activities organized by the assigned EC/SG/WG will be provided during the program period.
