Speaker profile

(in order of presentation):

Mr. Raymond Tsang

Ex-Department Manager of MMRC, and
Professor of Practice, RS, PolyU

Mr. Tsang is the Professor of Practice of the Department of Rehabilitation Sciences of The Hong Kong Polytechnic University, and previously worked as the Department Manager of the Physiotherapy Department of MacLehose Medical Rehabilitation Centre. He is the Vice President of the Hong Kong Physiotherapy Association and the immediate past President and founding fellow of the Hong Kong College of Physiotherapy. He had served in the Education Committee of the Physiotherapists Board and now he is a member of the Registration Committee of the Physiotherapists Board.

Ms. Ng Yuk Mun

Head of Allied Health & Head of Primary
Healthcare, HKSR

Mun is a physiotherapist by profession and works as Head of Allied Health and Head of Primary Healthcare at The Hong Kong Society for Rehabilitation (HKSR). Her expertise lies in preventive care, rehabilitation, and wellness in the community; leading various services and projects for persons with disabilities and chronic diseases, as well as with health concern. She leads the multidisciplinary team to build the service model of stroke rehabilitation and cardiac rehabilitation in HKSR. Apart from this, she serves currently as committee member in the two Work Groups, Community-based Rehabilitation & Primary Healthcare as well as Aquatic Physiotherapy in the Hong Kong Physiotherapy Association. She is also a Committee Member of Exercise Is Medicine-HK (EIM-HK) Advisory Board.

MR. Gorman Ngai

Private Practice

Gorman Ngai graduated from the Hong Kong Polytechnic University at 1997 to become a physiotherapist. He had been worked at public hospital, private physiotherapy clinic and universities after graduated. He works as a private practitioner at out-patient clinic, and also the team physiotherapist at soccer and rugby team. He is also a part-time lecturer at universities and is involving difference kind of manual therapy teaching in Hong Kong and oversea.
